GENERAL INFORMATION

Venue: Danubius Health Spa Resort Helia, Budapest, Hungary

Budapest (<http://en.wikipedia.org/wiki/Budapest>) is the capital and the largest city of Hungary, and one of the most beautiful cities in Central Europe. It is the country's principal political, cultural, commercial, industrial, and transportation centre, sometimes described as the primate city of Hungary. Budapest became a single city occupying both banks of the river Danube with its unification on 17 November 1873 of Buda and Óbuda, on the west bank, with Pest, on the east bank.

Cited as one of the most marvelous cities in Europe, Budapest's extensive World Heritage Site includes the banks of the Danube, the Buda Castle Quarter, Andrásy Avenue, Heroes' Square and the Millennium Underground Railway, the second-oldest metro line in the world. It has around 80 geothermal springs, the world's largest thermal water cave system and third largest Parliament building.
